神戸国際占術協会

The non-profit organization “Kobe International Fortune-Telling Association” was founded in 2003, and was authorized by Kobe City, on March 16th, 2016, as the first certified non-profit organization in the fortune-telling field, for the purpose of the dissemination of accurate knowledge on Palmistry, the Four Pillars of Destiny and Divination as a guide to a better life.

1. Dispatch of Lecturers to Consultations

We dispatch lecturers to fortune-telling consultations such as palm reading events held by companies and organizations.

2. Dispatch of Lecturers to Lecture Meetings

We dispatch lecturers of the study of destiny to lecture meetings.

3. Diffusion and education of culture and art through the study of fortune-telling such as Palmistry

Our major activities so far are palm reading consultations in the following events:

We engage in Pro-bono activity (Pro-bono: an expert undertakes work voluntarily and without payment or at a reduced fee as a public service using his or her professional knowledge and skills). We have donated all the revenue of fortune-telling consultations and lecture meetings to social welfare organizations and others through sponsors of events or by ourselves.

Our association is run only by membership fees and contributions.

We are always grateful for your warm and understanding support.
